Our Y safe-swim initiative, GO-FOR-GREEN is focused on keeping heads above water! Each swimmer entering the pool facility for the first time must take a short swim test to determine their skill level of RED or GREEN. Breakaway wrist bands will then be given to identify each swimmers skill level:

**GREEN: Deep water safe swimmers who have no restrictions.**  
**RED: Swimmers who are restricted to the shallow end only.**

## POOL AREA RULES

**LAPS:** Swimmer must be 15-years-old or a member of the swim team in order to use lap lanes. Swimmer must be swimming "laps." Those under 15 must give up the lane when an adult is waiting to use the lane for lap swimming. All lap lane swimmers are to share the lanes and swim in a 'circular' pattern so that more than one swimmer can use the lane at a time. To "circle-swim" always swim along the right side of the lane so that you will go down on one side and return on the opposite side...thus a circular pattern.

**WATER FITNESS/SWIM LESSONS:** The pool is available only to those registered for the appropriate classes. Please see the front desk for lesson registration & water fitness class schedules.
