**GO FOR GREEN!**  
Our Y safe-swim initiative, GO-FOR-GREEN is focused on keeping heads above water! Each swimmer entering the pool facility for the first time must take a short swim test to determine their skill level of RED or GREEN. Breakaway neck bands will then be given to identify each swimmers skill level:  
**GREEN: Deep water safe swimmers who have no restrictions.**  
**RED: Swimmers who are restricted to the shallow end only.**

## Aqua Classes

**Senior Stretch** This water fitness class is designed to enhance each individual's quality of life and daily function. A variety of exercises utilizing the physical properties of water will help you increase agility, range of movement and cardiovascular conditioning. No swimming skills are necessary. Join in fitness, fun and friends!

**Aqua Tabata** An Aerobic Workout for all fitness levels. This program is full of fast paced intervals that will challenge your cardio abilities.

**Water Aerobics** An aerobic workout that challenges both beginner and advanced levels of fitness. This class will allow you to strengthen your whole body with the natural resistance of the water. The faster you move, push and pull, the greater the resistance will be in your workout. Get up early and make a splash!

**Aqua Zumba** Make a splash and join our "pool party!" Aqua Zumba is a challenging and effective water-based workout that integrates a mixture of body-sculpting movements and dance moves to maximize fat burning and total body toning. We encourage the whole family to participate but all children must be able to stand flat footed in the shallow end and the water must be no higher than their chest.

## POOL AREA RULES

**LAPS:** Swimmer must be 15-years-old or a member of the swim team in order to use lap lanes. Swimmer must be swimming "laps." Those under 15 must give up the lane when an adult is waiting to use the lane for lap swimming. All lap lane swimmers are to share the lanes and swim in a 'circular' pattern so that more than one swimmer can use the lane at a time. To "circle-swim" always swim along the right side of the lane so that you will go down on one side and return on the opposite side...thus a circular pattern.

**WATER FITNESS/SWIM LESSONS:** The pool is available only to those registered for the appropriate classes. Please see the front desk for lesson registration & water fitness class schedules.
